Academic Year 2016/2017

04/11/2016

Welcome back. The children have settled quickly back into the routines at school. I have been in every class this week and I am really impressed with how the children are working in partners and groups using strategies developed to ensure maximum engagement by all. Some of the children might talk about the way we are working. Each child is given a role within a group or partner task and each child receives equal time or turn to participate and put their views and knowledge forward. The aim is that we create a culture where there are no 'hogs' and no 'logs' during group activity and learning.

Samaritan's Purse

Once again we are supporting this charity in asking families to put together a shoebox of gifts for a child from somewhere around the world who may be living in difficult circumstances. Mrs Clark spoke to the children about this on Thursday during worship. If you would like to support this cause you can find the information via the website: operationchristmaschild.org.uk

All boxes need to be in school by 18th November for collection.

Girls' football Team

Well done and thank you to all the girls who took part in the girls' football tournament at TGA on Thursday evening. They played really well together and finished in second place after winning a penalty shootout.

FOLS

FOLS have set up a Facebook page. You can find them using fols lea search. Please support the FOLS in any way you can, they do a fabulous job for our children.

Attendance

Whole School
97.57%

Poppies

Poppies will be on sale in school next week if your child/ren would like to bring a donation between 50pence and £1.00

Tully Cup

This term, our school value is Creativity. Seen from a Christian perspective, all of life is a 'gift', entrusted by a loving creator God to humankind for a purpose. This purpose is glimpsed as the creative spirit within as each person learns to value and explore, celebrate and enjoy this world in all its mystery and diversity. With this gift comes a mutual responsibility to ensure creation is not spoiled, but rather sustained and shared by all. If you would like to explore this value further at home, I will be putting some homework ideas on our website.

Winners this week:

KS 1 – Olivia Brown
KS 2 – Connor Baxter

School Closures procedure

Once again radio Lincs have set up a snow line to support schools and families if a spell of bad weather hits.

'Please let parents know that they can hear all the up to date information with Rob Hammond on air from 6am, on our website www.lincsfm.co.uk or via our FREE app.'

Parent Workshop

Please remember we are holding a workshop on our calculation policy for parents on November 24th at 3.40pm and again at 7pm.

There will be some really valuable information shared about how calculations are taught in school.

Football and Pokémon trading cards.

Due to past experience, we do not encourage children to bring these cards to school.

Remember to check our website for important information and register to follow your class on Twitter.
