Academic Year 2016/2017

The excitement is building!

We had a special Worship on Thursday where Reverend Cotton spoke to the children about Advent. The Christmas Production dress rehearsal was a real treat today. We have recorded the rehearsal and will transfer onto DVD for all families who would like a copy. We will be charging enough to cover the purchase of the DVDs only. With this in mind, I would like to remind everyone that there is to be **no** filming or photography during the performance. If you do wish to take a photograph of your child in their costume, please wait until the end and be mindful not to get other parent's children in the picture unless you have permission from their parent/s.

This is really important to us as we do have children within our school community whom we need to protect and by breaching our policy you could put these children and their families at risk.

Mrs Kershaw

Mrs Kershaw would love to meet parents on **Thursday** from **8.30 am** or at **3.30pm** if you would like to introduce yourself to her.

Tully Cup

This term, our school value is Creativity. Seen from a Christian perspective, all of life is a 'gift', entrusted by a loving creator God to humankind for a purpose. This purpose is glimpsed as the creative spirit within as each person learns to value and explore, celebrate and enjoy this world in all its mystery and diversity. With this gift comes a mutual responsibility to ensure creation is not spoiled, but rather sustained and shared by all.

If you would like to explore this value further at home, I will be putting some homework ideas on our website.

Winners this week:

KS 2 – Alyssa Basu

Year 5/6 trip to York Dungeons. Trip Advisor Report

The Dungeons was an incredible 75 minute tour about 2000 years of York history. The trip was an excellent experience and I would definitely recommend this breath-taking tour for a school trip or family outing. The actors and actresses put on a fun and realistic show making it a unique and

jumpy day out. My favourite room was when we met the plague doctor's assistant, he picked one of my class mates and sat her in his chair. Following this he pretended to take out her internal organs, it made us laugh so much!
