Academic Year 2016/2017

25/11/2016

Another week has flown by. Preparations are beginning in earnest for Christmas. I am sure some of the younger children are coming home singing songs from the nativity show. Letters have been arriving home with all details of shows, trips and Christmas celebrations.

Mrs Kershaw

My name is Ali Kershaw and I would like to take this opportunity to introduce myself as the new deputy head and Y4 teacher from January.

I have 14 years teaching experience, I have taught across KS2 in 4 other schools, and have had a number of leadership roles, including deputy head and maths leader at a primary school in Oxfordshire. I love teaching and I am itching to get back into the classroom after taking 3 years out to have a family due to my husband's posting to Cyprus.

Outside of school, I have been married to Andy, an RAF Officer for 6 years. I have 2 young children, Emma and James and 2 cats, called Gobo and Socks. I love baking (and eating) cakes, scuba diving, and going to the rugby with my husband.....if it isn't too cold!

Everyone has made me feel very welcome and I am looking forward to getting to know you all as the year progresses, so please feel free to come and introduce yourself if you see me in and around school.

Thank you for all the generous donations of shoe boxes. This year our show boxes will be given to children in Liberia.

Please be considerate when dropping off your children in the morning and remember not to block the road to the school gates. We do have taxi's needing access to the school car park

Tully Cup

This term, our school value is Creativity. Seen from a Christian perspective, all of life is a 'gift', entrusted by a loving creator God to humankind for a purpose. This purpose is glimpsed as the creative spirit within as each person learns to value and explore, celebrate and enjoy this world in all its mystery and diversity. With this gift comes a mutual responsibility to ensure creation is not spoiled, but rather

sustained and shared by all. If you would like to explore this value further at home, I will be putting some homework ideas on our website.

Winners this week:

KS 1 – Ronny Kennedy
KS 2 – Ellie Holmes / Connor Hines
