Dear Children, Parents and Carers,

8th September 2016

Welcome to Year 1! I hope you have all had a lovely summer and are ready to start the new school year. I would like to take the opportunity to share this term's curriculum with you and other useful information. Our overall topic this term is 'Splendid Skies'.

- **Maths** - Counting and writing numbers up to 20, addition and subtraction.
- **Science** - Types of animals and what they like to eat.
- **RE** - The Creation Story and Harvest Festival. This lesson will be taken by Mrs Finney.
- **Music** - Different types of instruments. This lesson will be taken by Miss Martin.

<u>Homework and reading</u>	<u>Evergreen</u>
<p>Homework will be given out on a Friday and it may include spellings, English or topic work. The children will continue to use Mathletics as a homework tool alongside their weekly homework. Homework is to be completed in their yellow homework book and handed into the homework tray in class the following <u>Thursday</u>. Reading books will be checked and changed regularly and children will be heard to read 1:1 by an adult in the class.</p>	<p>This year, children are able to earn their 'evergreen' daily. At the end of each day, children are able to move up the tree if they have kept their evergreen that day. By the end of a two week period, each child should have reached the top of the tree, if they have; they are then able to receive the school evergreen treat. Parents will continue to receive a text to let them know if their child is still 'evergreen'.</p>
