'Being different, Belonging together'

24.02.17

Dear Parent/Carer,

As a result of a detailed review of our personal, health and social education curriculum, we have been advised to purchase 'The Christopher Wright Project – Teaching Sex and Relations Education with Confidence in Primary Schools', by an advisor who is supporting school at the moment. This provides a detailed scheme which gives objectives for each year group from Reception through to Year 6 for this part of the PHSE curriculum.

We would like to invite parents to a presentation where our advisor will explain the curriculum and be able to answer any questions you may have about the teaching of Sex and Relationships in Primary schools.

Following this we will be sending consent forms home for you to sign in order for your child/children to participate in these lessons. We will send a text reminder when these sessions are to be delivered.

Presentation will be on Monday 20<sup>th</sup> March in the school hall.

6 – 6.40pm Reception and Key Stage 1

6.45 – 7.30pm Key Stage 2.

You are welcome to attend both sessions or if your child is now in KS 2 you may want to attend just the second.

If you are unable to attend the presentation, please see you class teacher for information regarding the curriculum your child will be taught. We will send consent letters to all families regardless.

Many thanks for your continued support.

Yours sincerely

Mrs Sarah Woolley
