It has been great to see the children out in the school grounds in this fabulous weather we are currently experiencing. Just some reminders in order to keep our children safe in the warm weather:

- 1) Please ensure your child/ren have a named water bottle in school filled with water only. (juice in lunchtime water bottles is acceptable)
- 2) Sun cream which can applied once a day is recommended; we are not allowed to apply sun cream to the children.
- 3) A sunhat or cap is advisable as protection in the very warm weather.

### E-Safety

On Tuesday all the children participated in workshops on how to keep themselves safe when using the internet. Dan who delivered the sessions pitched the workshops to meet the needs of the age groups and from pupil interviews it would seem that the majority of our pupils know how to protect themselves.

Please can you ensure that as parents you keep up to date with the ever changing world of technology and make sure your child/ren are safe when accessing the internet at home; it is advisable to always monitor what your child is playing on and who they are talking to.

### Tully Cup

This term, our school value is be Service.

The children will be encourage to reflect on the way Jesus exemplified in his person, ministry and relationship with God, what it was to be called the 'servant king'. Christians believe that their calling is to follow Jesus' example according to their gifts or abilities.
