

This term our topic is called 'Why do zebras have stripes?' This topic will be all about Jungle and Safari animals.

We will be learning about animals that we might see on Safari! We will be using lots of books to aid our learning fiction and non-fiction. We will also use the iPads and laptops to help discover our information. We will read the story books 'We all went on Safari' 'Rumble in the Jungle' 'Dear Zoo' and 'Walking through the Jungle'.

In Phonics and Literacy we will be continuing to learn lots of new sounds. Please continue to encourage your child to read their reading book as many times as possible and ask questions about what they have read. Please can an adult fill in the Reading Record book every time the child reads their book, thank you. Continue to use the phonics pack at home to aid your child's reading. Please visit <http://www.ruthmiskin.com/en/resources/tag/parents/> and watch some of the videos for ideas of what to do at home.

In Mathematics we will be securing our number facts to ten and then to 20. We will be covering the objectives: Place numbers in order and say which number is one more or one less than a given number. Using quantities and objects, add and subtract two single-digit numbers and count on or back to find the answer. Uses the language of 'more' and 'fewer' to compare two sets of objects. Find the total number of items in two groups by counting all of them In practical activities and discussion, begin to use the vocabulary involved in adding and subtracting. Estimate how many objects they can see and check by counting them.

Every Thursday morning we have Mrs Sweeney teach us Religious Education, this term we will be focusing on the topic 'Special times for me and others.'
