Sports Day 2026

Third time lucky!

After two weather-related cancellations, we were finally able to enjoy our Sports Day on Wednesday afternoon!

The sunshine arrived, the races were run, the cheers were loud, and everyone had a fantastic time. It was wonderful to see our children giving their best, supporting one another and having so much fun.

A huge thank you to all of our families for your patience, flexibility and for coming along to cheer everyone on.

Congratulations to Blue Team, who raced their way to victory this year!

Sturton by Stow Football Tournament

Our Year 3/4 and Year 5/6 teams were all brilliant from start to finish at the football tournament on Wednesday evening.

We're incredibly proud to say that both teams finished in an amazing 2nd place!

A huge thank you to Sturton by Stow Primary School for hosting such a well-organised event, and an even bigger thank you to all of our wonderful supporters and staff members who came along to cheer us on... even with the England match on TV! Now that is dedication!

Well done to all of our players—you represented our school brilliantly and should be so proud of yourselves.

READY, SET, RECYCLE!

A selection of our children had an incredible time at the Lincolnshire Showground yesterday to enjoy their Environmental Day!

Inside the eco-friendly Epic Centre, our children joined other schools from across Lincolnshire to learn how we can protect our planet. From fast-paced recycling challenges to making sustainable mascot crafts, they showed amazing teamwork and passion for the environment.

A huge thank you to Lincolnshire County Council for organising such an inspiring, hands-on day of green learning.

We are so proud of our young eco-warriors and can't wait to see them put their new recycling skills into action right here at school!

Nature Reserve

We're so excited to unveil our brand-new Outdoor Learning Space in our Nature Reserve!

Thanks to generous grant funding, we've been able to create a fantastic space where a whole class can head outdoors to learn, explore and be inspired by nature.

With plenty of seating and a whiteboard to support lessons, our children can now enjoy learning in the fresh air while making the most of our beautiful Nature Reserve.

Here's to enjoying some outdoor learning!

PARKING

We appreciate that parking can be difficult and congested during drop off and pick up times, however, following several complaints from our neighbours and parents, please can we reiterate the following points.

- Please **do not** park on the zig zag lines between 8-9am and 3-4pm
- Don't block or park on residents' lawns/driveways, this includes the green on The Grove
- Please don't park or stop on a corner near a junction.
- Please do not park so far on the pathways, blocking accessibility for pushchairs and wheelchairs
- Do not park in the school car park unless you have been given permission to do so
- Please don not be abusive to our neighbours

This is to ensure the maximum safety of all our children, families and staff.
