Arbor and ParentHub Update

Thank you to all our parents/guardians that have successfully managed to access Arbor. Our aim is to reach 100% App Coverage and we're not far off that now. If you haven't been able to access your account yet, please let The Office know ASAP.

Please be aware that after today, Friday 17th October, ParentHub will NO longer be used by school. All future communication will be sent through Arbor.

It is vital that you regularly keep checking Arbor from Monday to keep up to date with all communication, consents, payments and messages.

Reception, Y1 and Y6 parents/guardians may have already noticed that there has been a trip added to your child's profile. This will require your attention if not already done so.

We thank you for your patience whilst we have been trying to get all this sorted in the background and do hope that Arbor will streamline all services.

Thank you,
The Office Team

Macmillan Coffee Morning

Thank you to those that attended our Coffee Morning on Monday and donated some delicious cakes for everyone to enjoy! It was lovely to see so many of our families in school. We really appreciate your support and generous donations towards Macmillan Cancer Support.

Wellbeing Champions

We're so proud to introduce our amazing Wellbeing Champions — a caring team of pupils who are always there to lend a listening ear and help make our school a happy, supportive place for everyone.

You'll often find them out on the playground at playtimes, ready to support anyone who might have a worry, needs a friend, or just wants someone to play with.

A huge thank you to the wonderful Knit-for-Nowt team for gifting us these incredible wellbeing teddies and puppets!

They'll be put to great use by our Champions and Pastoral Care Staff throughout the year as we continue to promote kindness, empathy, and wellbeing across our school community.

Y6 Tag Rugby Festival

On Wednesday 15th October, Y6 attended the Tag Rugby Festival at Lincoln Rugby Club.

The day was designed to be noncompetitive and provide the children with the opportunity to participate in lots of different activities/drills throughout the day and gain a better understanding of the game.

Well done Y6, we are super proud of the effort and enthusiasm you all showed whilst also having some fun!

Y3 & Y4 Bikeability

Today, Y3 and Y4 were given the opportunity to take part in their Level 1 Bikeability Training.

Level 1 teaches children how to maintain their bike, glide, control their bike, pedal and be aware of their surroundings. This all takes place in the safety of our school playground to allow the children to learn in a traffic-free environment.

They have all done amazingly throughout their sessions, with great feedback from the Trainers.
