Reception's First Trip!

Yesterday, Reception headed to Rand Farm Park to enjoy their first class trip!

They had a great day feeding the animals, watching a milking demonstration, going on a tractor ride, bottle feeding lambs and learnt lots of interesting facts in the hatchery.

Best of all, the sun was shining for them, making it a lovely day to be out of school exploring. We hope they had lots to tell you when they returned home.

Y1 – 'Fantastic Flights' Workshop

A couple of weeks ago, Y1 took part in a virtual 'Fantastic Flights' workshop run by the RAF Museum.

During the session they explored how aircrafts fly and how designs have changed over the last 100 years. They even heard some real-life stories from the RAF!

This workshop linked nicely with their current learning in History. Well done Y1!

Y5 – STEM Fair & Uncle Henry's Trip

It was a very busy couple of weeks for Y5. Firstly, they attended the STEM Fair at Queen Elizabeth's High School. They explored all things Science, Technology, Engineering and Maths through the various different activities that were set up. A big thank you to all the organisers of this event, it was a fantastic day and truly inspired all the children.

Then, this week, they ventured out to Uncle Henry's for another trip out. They had a fantastic day learning about farming, crops, soil analysis, planting seeds, magical fairies, the highwayman, pig-poo power and having an all round incredible day.

Thank you to Nicky and Verity from the Country Trust for arranging this special trip.

Road Safety Workshops

This week, our Year 2 class took part in their Road Safety sessions. The children learned how to check carefully for danger, crossroads safely, and understand why road safety is so important when they are out and about.

They did a fantastic job listening, participating, and practising these essential life skills. They were so sensible and responsible throughout the session! Thank you to Lincolnshire Road Safety Partnership for running the sessions

Please continue to reinforce these important messages at home to help keep everyone safe.

If you think a child maybe the victim of abuse or neglect, contact 01522 782111. Lincolnshire's Children's Services Customer Service Centre to reporting concern. **It is everyone's responsibility.**

Parent Consultations

It was lovely to see so many of you this afternoon come into school to have a look at the children's work. We really appreciate you taking the time to do this and hope you felt a sense of pride seeing what they have been busy doing in school.

A quick reminder that Parent Consultations will be taking place on Monday and Tuesday evening next week.

Please ensure you arrive on time for your appointment so that all meetings can run smoothly. If you are unable to attend, we kindly ask that you inform the school as soon as possible.

Our teachers' time is very valuable, and your cooperation helps us make the most of these important meetings.

Thank you for your support! 😊

****

School Communication

A gentle reminder to all parents and carers about the importance of regularly checking school communications so that you don't miss important information.

The Arbor app is our main platform for communication. All school messages, trip information, and payments are shared through Arbor, and this is also where you will need to give consent and make payments for upcoming trips and events.

With several exciting activities coming up over the next few weeks, it is particularly important to check the app regularly.

We also share updates, reminders and celebrations on our school Facebook page, so this is another great way to stay informed about what is happening in school.

Thank you for your continued support.
