

Pupil Acceptable Use Agreement (KS1)

This Acceptable Use Agreement (AUA) is intended:

- to ensure that pupils will have good access to devices and online content, be responsible users and stay safe while using digital technologies for educational, personal and recreational use
- to help pupils understand good online behaviours that they can use in school, but also outside school
- to protect school devices and networks from accidental or deliberate misuse that could put the security of the systems and users at risk.

This is how we stay safe when we use computers:

- I will ask a teacher or suitable adult if I want to use the computers/tablets.
- I will only use activities that a teacher or suitable adult has told or allowed me to use.
- I will take care of computers/tablets and other equipment.
- I will ask for help from a teacher or suitable adult if I am not sure what to do or if I think I have done something wrong.
- I will tell a teacher or suitable adult if I see something that upsets me on the screen.
- I know that if I break the rules, I might not be allowed to use a computer/tablet.
